

RECYCLING

Starting January 1st, 2020 our 12th Street Center will no longer take recyclables or cardboard.

Those items must go to the Switz City recycling location. Our 12th Street location will continue to have the metal bin, construction dumpster and \$2 trash bag drop-off. Hours of operation remain the same until further notice.

We are fervently looking into options to get back all the services we offered in the past.
